

# The Lord's Day

# Lesson 6

The Sabbath, which is the memorial of God's creative power, will never cease to exist. When this sinful state of things shall give way to the sinless new earth, the fact upon which the Sabbath institution is based will still remain; and those who shall be permitted to live in the new earth will still commemorate the creative power of God. Isaiah 66:22,23

**Note** No other day of the week in the entire Bible is claimed by God as His day. During the early centuries of the Christian era, apostasy came the church. Men, without any command of scripture, thinking to honour Christ and spite the Jews, who crucified Christ, began to neglect the Sabbath Commandment and to honour the first day of the week, on which Christ rose from the dead, and called it “the Lord’s day.” But there was no instruction for this change in the divine law of God. The bible knows one Lawgiver, one Mediator between God and man, one Lord and saviour Jesus Christ, one Spirit, one faith, and one Sabbath.

**I realised that the Sabbath was changed by man and not God: and I’m willing to accept the 7<sup>th</sup> Day as the Sabbath of the Lord, which was given to man from creation. True ( ) False ( )**
