

How and where Sin began?

Lesson 3

Without the Bible, the question of the origin of Sin would remain unexplained. Sin is the manifestation of selfishness and is the opposite of true love. The originator of sin and its evil effects will result finally in total annihilation forever. Only those who stubbornly cling to sin will be destroyed. The wicked will be destroyed root and branches... (Malachi 4:1), and the righteous shall shine as the firmament, and as the stars forever (Daniel 12:3).
